Welcome Back

Resumption is around the corner! We are sure it has been interesting all through the holidays. Now is the time to get back to school with a positive mindset. As we get set for the academic work, we will expect the children to prepare their minds for an experience beyond the four walls of the classroom. We wish all the children an exciting and creative learning this term.

Resumption

First Term 2023/2024 Session begins on Monday 4th September, 2023. We can't wait to have them all back.

Theme For The Term

Our Theme for term is ***"GRATITUDE"***.

Gratitude is the quality of being thankful and readiness to show appreciation for and to return kindness.

In the course of the term we will explore different ways to help the children understand and demonstrate gratitude through various activities, discussion and projects.

Tips to help students transition seamlessly

- Resume day one (week one) of the term as school activities start same day.
- Adjust some holiday habits like sleep time, screen time and play time.
- Read school messages as you may find useful information to work with.
- Gather the school supplies early enough.
- Review the past academic performance with your ward and spot the weaknesses.
- Help your children set new term goals that will help them have a successful term .
- Connect with the school to discuss any concern you may have regarding your ward.

Punctuality

This is a reminder that all pupils & students are expected to be in school on or before 7:30 am. Punctuality is the first step towards success. Punctuality is not just limited to arriving at place at right time it is also about taking actions at the right time.

Hairstyle

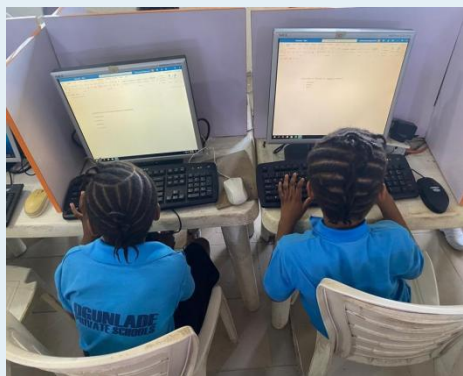

Students are expected to keep their hair looking natural, clean and well groomed.

The boys are to cut their hair low without any form of design or style, neat and well managed. Older boys are to remove all facial hair.

The girls are to resume with well neatly plaited hair without extension, colour (dye) and accessories (e.g. beads).

Weekly hairstyle plan will be shared separately on parents' WhatsApp platform.

- ◆ Create daily study sessions to fit their schedule.
- ◆ Help them manage their time independently.
- ◆ Track and monitor their progress.

Assignments

Parents are advised to closely monitor or supervise their children to make sure that all given assignments are thoroughly done. Failure to do any assignment is taken seriously.

School Uniform

Pupils /Students are expected to always be in neat/clean/ironed uniforms; all torn uniforms and lost buttons are to be replaced and repaired respectively. Those who have overgrown their wears should please get new ones. Sport wears are to be worn on sport days only. We enjoin you to purchase the sportswear for your children/wards.

Also, be reminded that only low heeled black shoes (not canvas) with white socks should be worn with the school uniforms and white canvass with sport wear are allowed; multicoloured socks and sandals are not allowed. Senior girls are to wear white pop socks under their sportswear.
